What is Little Travellers?

Little Travellers or "Maly Cestovatel'" in Slovak is a book made by authors Andrea and Roman Burasovic.

How to be part of Little Travellers?

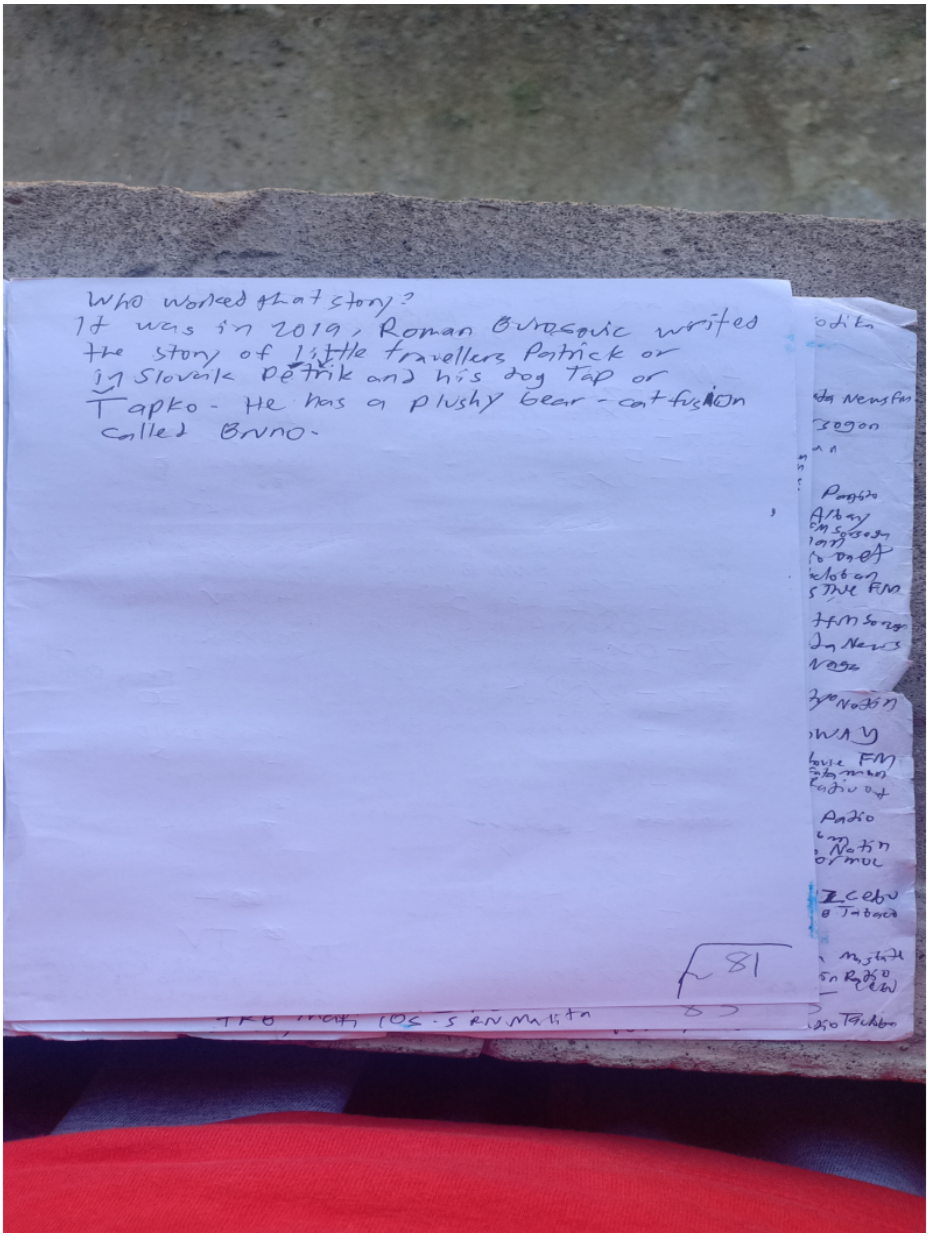
You need to have a backpack on it.

The backpack consists of a phone, head set, radio (transistor radio if you like) (digital is perfect for expedition), map, compass, wire (for radio). The clothes must be inside the backpack and if wet it must be placed in the cellophane.

You must have a trucker hat, blue back, white front and blue brim, and a yellow star on it.

Why Ciaenwin Tanpieng co writed and illustrated the story?

Since Ciaenwin have only a blue trucker hat with a yellow star he will write and illustrated this version to expand Maly cestovatel' or Little Travellers legacy.



Who worked that story?
It was in 2019, Roman Burgosic writes the story of little travellers Patrick or in Slovak Petrik and his dog Tap or Tapko - He has a plushy bear - cat fusion called Bruno.
